02 How the plan runs

Certificate courses are offered on a two-year cycle, Year A and Year B, each with a fall and a spring semester. A Year A semester is a fall A or spring A below, and a Year B semester is a fall B or spring B. Course offerings change from year to year: confirm availability, sequencing, and prerequisites with the Music Education Coordinator and a Music Department advisor before you register.

Applied lessons begin after an applied area placement, which is an audition in your instrument or voice or a creative portfolio in composition or music production.

The GE courses shown are one typical selection for music majors: build your own GE plan with your advisor.

String players take Chamber Orchestra (MUS 365) as their Major Performing Ensemble.
