02 Certificate rotation

Certificate courses are offered on a two-year cycle, Year A and Year B. A Year A semester is a fall A or spring A below, and a Year B semester is a fall B or spring B. This plan is a sample for one transfer record and one rotation year. Before registering, students meet with the Music Education Coordinator and a Music Department advisor to build the version that matches their transcript.

Applied lessons begin after an applied area placement: an audition on the student's instrument or voice, or a creative portfolio in composition or music production.

The GE courses shown are one typical selection. Students build their own GE plan with an advisor.

String players take Chamber Orchestra (MUS 365) as their Major Performing Ensemble.
