## 02 How the plan runs

Department courses are offered on a two-year rotation of fall A, spring A, fall B, and spring B. Fall A is in even years and fall B in odd years. Students entering in a fall A follow the fall A sheet, linked from this roadmap online. Course offerings change from year to year: students confirm availability, sequencing, and prerequisites with the Music Education Coordinator and a Music Department advisor before registering.

Applied lessons begin after an applied area placement, which is an audition on the student's instrument or voice or a creative portfolio in composition or music production.

The GE courses shown are one typical selection for music majors. Students build their own GE plan with an advisor.

String players take Chamber Orchestra (MUS 365) as their Major Performing Ensemble.
