Degree	Entry	In residence	Catalog
Bachelor of Arts in Music	Transfer, AA-T, fall B (odd years)	60 units	2027–2028

01 Units in residence

Component	Units
Music requirements and electives*	39
General education	9
Free electives**	12
Total in residence	60
AA-T	60
B.A. total	120

*Plus up to 6 units for transfer students: 3 for the keyboard sequence (MUS 118, MUS 119, and MUS 218) and 3 for MUS 202 Writing About Music.

**These vary depending on each student's path through the GE requirements and free electives, up to 120 units.

The music electives in this plan are composition and production courses.

Applied lessons begin after an applied area placement: an audition on the student's instrument or voice, or a creative portfolio in composition or music production.

String players take Chamber Orchestra (MUS 365) as their Major Performing Ensemble.

02 Before the first semester

The B.A. requires three semesters of keyboard musicianship: MUS 118, MUS 119, and MUS 218. Transfer students who haven't completed the sequence take it at CSU East Bay or meet the requirement by credit by exam.

The B.A. requires MUS 202 Writing About Music. Transfer students who haven't completed GE Second Composition will need to fulfill that requirement with this course.

The B.A. requires MUS 381 Essentials of Music Technology. Transfer students who haven't completed a similar technology course will need to fulfill that requirement with this course during their first semester.

General education paths differ from student to student. The GE courses shown are one typical selection for music majors. Students build their own GE plan with an advisor.

The Certificate in Music Education counts within the B.A. units in residence, with up to 4 units beyond the 60 units in residence. Its roadmap shows the semester placement of the certificate courses.
