02 Certificate rotation

Certificate courses are offered on a two-year cycle, Year A and Year B, and each semester below is labeled with its rotation year. For students entering in a Year B fall, each certificate course is one rotation position later, and the last one is after the M.A. is complete. Course offerings change from year to year: students confirm availability, sequencing, and prerequisites with the Music Education Coordinator and a Music Department advisor before registering.

M.A. emphases are Performance (Classical or Jazz), Choral Conducting, and Composition. The GE courses shown are one typical selection. Students build their own GE plan with an advisor.

String players take Chamber Orchestra (MUS 365) as their Major Performing Ensemble.
