Degrees	Entry	In residence	Catalog
B.A. and M.A. in Music	Transfer, fall A (even years)	60 + 32 units, 11 shared	2027–2028

01 Degrees at a glance

Degree	Units
B.A. in Music, in residence	60
M.A. in Music	32
Units counting toward both degrees	11
Units taken across the three years	81

With the transferred lower-division and general education units, the B.A. totals 120 units. Blended graduate coursework replaces part of the undergraduate electives.

MUS 604, MUS 631, and Capstone 2 of 4 count toward the M.A. by Petition for Graduate Credit, filed before the B.A. is awarded.

02 Before the first semester

The B.A. requires three semesters of keyboard musicianship: MUS 118, MUS 119, and MUS 218. Transfer students who haven't completed the sequence take it at CSU East Bay or meet the requirement by credit by exam.

The B.A. requires MUS 202 Writing About Music. Transfer students who haven't completed GE Second Composition will need to fulfill that requirement with this course the next time it is offered within its 2-year sequence.

The B.A. requires MUS 381 Essentials of Music Technology. Transfer students who haven't completed a similar technology course will need to fulfill that requirement with this course during their first semester.

String players take Chamber Orchestra (MUS 365) as their Major Performing Ensemble.
