02 How the rotation runs

The certificate courses are offered on a two-year rotation of fall A, spring A, fall B, and spring B, and the cycle repeats. Fall A is in even years and fall B in odd years.

Students can begin in any semester of the rotation and meet with the Music Education Coordinator to build a schedule that fits their standing and remaining degree work.

Students take MUS 495 Music Education Practicum (1 unit) in the last semester of the certificate, after the rotation courses.

MUS 331, 335, 341, 431, 432, 433, 441, and 495 also count as B.A. music electives. MUS 304 is also a B.A. requirement and satisfies GE-UD-3, and students can take it in any semester it's offered.

Course offerings change from year to year: students confirm availability and prerequisites with a Music Department advisor before registering.
